Fire Safety. In the event of a fire, your safety is key.

Follow these steps:

In the event of a fire, **raise the alarm** by:

.....

.....

.....

.....

If the alarm sounds, **leave the building** immediately by:

.....

.....

.....

or: .....

.....

Assemble .....

.....

.....

Remember:

Do Check the location of the nearest firefighting equipment (hose reel, hand extinguishers)

Do Leave immediately

Do Shut all doors behind you

Don't Linger in rooms, passage ways or exits

Don't attempt to return to your room

Don't run - particularly on stairs

Don't return to the building until the 'all clear' is given.
